STEELERS ON HOLIDAYS

Just a quick FYI to our members that Sharee will be away on holidays from 21/03/2024 until 02/04/2024. For any urgent matters please call Helen on 0414 846 082, otherwise please send us a email and one of your hard working volunteer committee members will get back to you. With the Easter long weekend break also quickly approaching we would like to remind all club members that the STEELERS admin will be closed from 28/03/2024 until 02/04/2024. No correspondence will be addressed during this time. Thank you for your understanding.

APRIL SCHOOL HOLIDAYS

Just a reminder to all of our members, there will be NO training in the April school holidays – 03/04/2024 and 10/04/2024. The club will be sending out a home program that players are encouraged to engage in.

All team training will commence on Wednesday 17/-4/2024 – coaches will be in touch with training times and courts after team announcements

EASTER COOKIES

Thank you to our members who supported our Easter cookie drive – such a great response and such a great alternative to offer the kiddies (and adults) at such a chocolate crazy time.

All cookies can be collected outside the main verandah area on Wednesday 27/04/2024 from 5pm – 6:30pm.

Any cookies not collected will be considered as a donation to the club.

PLAYING FEE AMOUNTS

There seems to be some confusion as to what the outstanding balance of the playing fees are once members have paid the club registration fee on TRY BOOKING

SUB-JUNIORS: Players in Year 2-Year 5 = \$232.97

JUNIORS: Players aged 10yrs – 17 yrs = \$264.32

SENIORS: Players aged 18yrs and over = \$277.40

When inputting the fee amount the club has already deducted the \$50.00 club membership fee. The PLAY HQ is covering the playing membership fee. You would not have received a link to register on PLAY HQ without playing the club membership first. These are two separate payments with two separate invoices. If you are a member of a club playing at a different association you will not be charged the Netball WA fee or the Netball AUS fee again – this will automatically be deducted if you have registered in both associations correctly.

TEAM NOMINATIONS

Just a reminder that when it comes to our club grading and team nominations your request to play with certain people is a consideration of our graders but is not guaranteed. Some times we can not fulfill everyone's request but are confident in saying that all of our members are lovely and inviting and playing in a club is a great opportunity to make new friends. Once the PLAY HQ dates have closed, our teams will automatically be numbered by WDNA to assist them with their paperwork. This is not necessarily reflective of your teams – please wait for team announcements on 14.04

TEAM MANAGER NOMINATIONS

As we prepare for our team announcements, we are calling out for team managers that can be appointed to the teams. If you are interested in being a team manager please email the club with your name and if managing for a team you don't play in, please include the player's name.

WHAT DOES A TEAM MANAGER DO

- * supports the coaches and assistant coaches
 - * cares for the equipment bag for trainings and games
 - * Passes on and supports the club messages and events
- If this is a position you could take on, please email the club
